FOR IMMEDIATE RELEASE

RYAN Introduces New Lawnaire ZTS Stand-On Aerator

The new RYAN® Lawnaire® ZTS stand-on aerator

Highlights:

- The Lawnaire® ZTS is the first ever stand-on aerator from RYAN®.
- The innovative, low-maintenance design is highlighted by a hassle-free drivetrain with an automatic chain tensioning system and multiple easy-access panels to keep out debris.
- Performance features include a shock-absorbing operator platform, an aeration depth stop and an ergonomic, rapid hydraulic tine lift.

JOHNSON CREEK, Wis. February 25, 2016– RYAN®, the leading manufacturer of turf renovation equipment for rental, golf, sports and lawn care professionals, is excited to introduce the brand-new Lawnaire® ZTS stand-on aerator.

The first of its kind from RYAN®, the Lawnaire ZTS brings a new level of efficiency and profitability to lawn care professionals. The Lawnaire ZTS includes:

- Revolutionary automatic chain-tensioning system
- Sturdy, shock-absorbing operator platform
- Intuitive drive controls and hassle-free maintenance access panels
- Low center of gravity for optimum maneuverability
- Fast hydraulic tine lift and precise aeration depth stop
- Powerful and nimble zero-turn drive at up to seven miles per hour

The quickness and intuitive controls of the Lawnaire ZTS also make it ideal for the rental market, requiring less time and experience, while providing more comfort to the user.

“The Lawnaire ZTS brings a new level of excitement and innovation to the trusted RYAN brand,” says Matt Donohue, RYAN® Brand Director. “It’s truly a new way to think about aerating, and we’re confident that it will change the way people aerate.”
