

FOR IMMEDIATE RELEASE

Like A Breathe Of Fresh Aire

Ryan® Aerators

The line of Ryan Lawnaire walk-behind aerators are built to deal with the toughest of lawn conditions. From the compact Lawnaire IV Plus to the zero-turn capable Lawnaire 28, there's a Ryan for every user and every job.

Lawnaire IV Plus - Compact

The Lawnaire IV Plus self-propelled core aerator is a high-speed, coring, roll-type unit built for the rental industry as well as commercial users with smaller aeration jobs. A fold-down handle and protected lift grabs make transporting safer and easier. New ergonomic features including a more comfortable handle, a handle-mounted throttle, and rubber grips make it much easier to operate. For increased reliability, the solid steel axle is mounted on construction grade ball bearings and is driven by a single nickel-plated chain. Easy-attach dual weights offer excellent results in harder soils by increasing ground pressure by more than 25 percent as well as balancing the unit on uneven terrain. Easily achieve clean, consistent penetration up to 2.75 inches deep.

Lawnaire IV Plus Features:

- Choice of engine options: 4 hp Honda or 6 hp B&S I/C
- Fold-down handle and protected lift grabs
- Solid steel axle
- Construction grade sealed ball bearings
- Semi-pneumatic tires with ball bearings (8 x 2.25")

Specs:

Coring Depth: up to 2.75 inches
Coring Diameter: .75 inches
Aerating Width: 19 inches
Aeration Pattern: 3.75" x 7"
Aerating Speed: up 29,000 sq. ft./hr.

Lawnaire V Plus – Heavy-Duty:

The Lawnaire V Plus self-propelled core aerator is built smart for superb productivity, reliability and operator comfort. When you need to cover a lot of ground fast with professional results, the high-speed, ultra-productive Lawnaire V Plus is the aerator for the job! With a ground speed of up to 40,000 square feet per hour and a 26.5 inch swath, the LA V will certainly get the job done quickly. The LA V provides reliable stability on slopes with knob wheels that grip, solid steel axles mounted on construction grade ball bearings, and single nickel-plated drive chain. Comfortable fold down handles and easy to remove rear wheels will get you through smaller gates and give you the flexibility to aerate backyards with ease.

Lawnaire V Plus Features:

- Choice of engine options: 4 hp Honda or 6 hp B&S I/C
- Fold-down handle and protected lift grabs
 - Solid steel axle
 - Construction grade sealed ball bearings
 - Semi-pneumatic tires with ball bearings (8 x 2.25")
 - Easy to attach dual weights

Specs:

Coring Depth: up to 2.75 inches
Coring Diameter: .75 inches
Aerating Width: 26.5 inches
Aeration Pattern: 3.75" x 7"
Aerating Speed: up to 40,000 sq. ft./hr.

Unit Dimensions:

Weight (Dry): 228
Width: 35.5"
Length: 52"; 46" folded
Height: 47.5"

Lawnaire 28 – Commercial:

The Lawnaire 28 self-propelled core aerator combines the technology and precision of golf course aeration with the demands of commercial lawn care maintenance. Its vertical coring action produces clean, professional results while covering up to 24,000 square feet per hour in a single pass with a 28-inch swath. Thanks to a unique caster design on the front wheel, the unit is zero-turn capable and provides unmatched maneuverability and productivity. The LA 28 also features isolated handlebars for comfort, a spring-assist lift for ease of use, and sealed precision ball bearings for easy maintenance and durability.

Lawnaire 28 Features:

- Powerful Honda GX 200 5.5hp Engine
- 4-Arm Vertical Coring
- Rear drive differential
- Unique caster design - allows for zero-turn maneuverability
- Isolated handlebars
- Easy Access Engine Kill Switch
- Spring-assist lift
- Sealed precision ball bearings

Specs:

Coring Depth: up to 2.5 inches
Aerating Width: 28 inches
Aeration Pattern: 3.75" x 5"
Aerating Speed: up to 28,000 sq. ft./hr.
Transport Speed: 4 mph

Unit Dimensions:

Weight: 400 lbs.
Width: 34"
Length: 56.4"
Height: 48"

Ryan also offers Tow-Behind and 3-Pt. Hitch Aerators. All Ryan brand turf renovation products are covered by a 2-year commercial warranty.

About Ryan

For over 60 years professionals have reached for Ryan turf renovation equipment to transform landscapes and maintain healthy, thick turf. The Ryan line of turf renovation equipment includes: aerators, dethatchers/turf rakes, overseeders, sod cutters and other specialty products that serve the landscaping and grounds care professional. Ryan turf renovation equipment is available through power equipment retailers and rental dealerships nationwide.
