

AERATION & OVERSEEDING?

3 REASONS TO USE HOLGANIX LAWN DURING AERATION & OVERSEEDING

WICKED FAST SEED GERMINATION

Increase the likelihood and speed of germination with Holganix Lawn. Holganix Lawn harnesses the power of soil microbes and humic acid to promote seed germination.

IT'S ALL ABOUT THE ROOTS

Holganix Lawn stimulates massive root growth. That means your turf is stronger and healthier, allowing it to better handle seasonal stresses.

SOIL NOURISHING

Turf health starts with soil health! Holganix Lawn nourishes soil and breaks down organic matter, releasing nutrients to the plant.
